

******* IMPORTANT NOTICE *******

As everyone is preparing for the COVID-19 (Coronavirus Disease), we want to take a moment to make sure all traveling public is aware that here at Abbott Bus Lines we are taking precautions on our equipment to guarantee the safety and well-being of our passengers. Our buses are being sanitized daily with hospital grade sanitation techniques. We assure you that our fleet of coaches are clean, Sanitized and stocked with sanitizer for our passengers. We are working fully with the Department of transportation, FMCSA, and Health Authority guidelines to maintain and assure safety and sanitation. We hope everyone stays safe and always remember to wash your hands and use proper sanitary actions when entering buildings, touching fuel pumps or any other object you may encounter that's been touched by someone else. Using hand sanitizer is one of the most effective ways to protect yourself from the coronavirus.

Hand sanitizers containing at least 60% alcohol can be used to get rid of germs in situations where soap and water aren't available, according to the Centers for Disease Control and Prevention.

To find out more on how you can stop the spread of germs visit your local health departments website for more information.

We hope everyone remains Safe, Sanitary, and Cautious.
